

Enough is enough!. I urge you: please do not deregulate the communications industry any further. Few enough corporations already own too much media.

This consolidation is bad for the public interest; and it is your duty to protect that interest.

I want rules in place that serve public, not private interest.

I oppose taking a vote that leads to more media consolidation.
On June 2nd, I urge you to retain the current ownership rules

Hedy Hilburn
Sincerely,

Daniel A. Stafford
